

Kyle Boundy Memorial Sculpture at Wesleyan Park

SUBMITTED QUESTIONS:

Q. Pictures of Kyle – [click here](#)

Q. Artwork of Kyle – [click here](#)

Q. Hobbies of Kyle – loved guitar & travel on his bicycle

His favorite musicians were Cake, Marcy Playground, Led Zeppelin, Matchbox 20, and some weirder less known bands like Bus Driver and Alabama Three. He liked strange experimental music the very best. He liked music that was surprising and unpredictable.

Q: Will the deadline for the proposal be delayed? TBD – Most probably there will be an extension.

Q. Would you allow a UK application? Yes, however installation and shipping may be problematic with the long distance involved.

Q. You want one cd-rom and no hard copies? No hard copies accepted – CD-Rom, Flashdrive or Dropbox is fine.

Q. Should a bronze plaque with special information be included in the budget? Or is this by others? Size, mounting, etc? No discussion on plaque. If you wish to have one, I would include in your budget.

Q. Is the 1% State of Montana tax taken out of the payments by you or the artist/ the artist's cpa for year-end taxes? The 1% tax will be taken out of the payment to you, the artist, so essentially the payment to the artist would be \$29,700.

Q. Are there any other permits, fees, or other charges for the artist? Police for traffic direction? Depends on the plan for installation. Open for discussion.

Q. Are there any presentations for the artist to prepare and/ or present in-person? HPAC and the family of Kyle Boundy would like to have a presentation. In person or virtually.

Q. Will city or county resources be available to the artist for installation? Such as traffic direction, "no parking" signage for staging the install, labor help for non-technical basic labor like lifting or spotting, photo documentation, etc. The City of Helena Parks Department could provide limited facilitation, but not much labor or technical support.

Q. Should out-of-state artists submit to this RFP? With all due respect: putting together an RFP with a budget and concept images such as this is actual work for professional artists that prepare proposals for site specific and personally sensitive projects such as this. Yes, the Helena Public Arts Committee will accept submissions from out of state Artists.
